

Physiotherapist

Sundale Garden Village, Nambour is a not-for-profit organisation, providing quality accommodation and care services for our community since 1963. Centrally located in Nambour, the Village is a 20 minute drive from the beautiful beaches of the Sunshine Coast and a short drive from the picturesque Blackall Range.

We are currently seeking a motivated Physiotherapist to join our Therapy Centre team. This permanent full-time role:

- Provides effective and efficient assessment and treatment of clients with a range of neurologic, orthopaedic and respiratory diagnoses,
- Has experience and qualifications or is prepared to obtain qualifications to provide hydrotherapy treatment,
- Develops and maintains clients treatment plans and other related documentation,
- Works in Therapy Centre, Transition Care and Community Care environments,
- Provides training and supervision to therapy assistants and work experience students.

Sundale employees are able to benefit from Salary Packing arrangements that enable employees to claim up to \$16,050 per year of expenses against pre-tax income. Uniforms and parking are available to employees at no cost.

Sundale provides an excellent standard of training, with the opportunity and support for ongoing professional development. We have invested heavily in technology to develop leading-edge care management tools.

Legislative requirements for Aged Care operations require all employees to hold or be willing to apply for a Police Certificate.

For further information, please call Yvonne Roberts on (07) 5441 0745. If this position is of interest to you please e-mail your current resume to Yvonne.Roberts@sundale.org.au or post your application to P.O. Box 5202, SCMC Nambour Qld 4560.
