# COVID-19 (novel coronavirus) update

Further to my letter dated 14 August 2020, as a valued member of the Sundale community, I wanted to provide you with an update and outline what Sundale is doing to monitor the COVID-19 situation (formally known as novel coronavirus) and some of the changes we are about to implement.

On Saturday (22 August 2020), the Queensland Government implemented additional restrictions following multiple new cases of COVID-19 linked to the Brisbane Youth Detention Centre in Wacol.

#### **Retirement Communities**

Throughout the Sunshine Coast and the Gladstone/Boyne Island regions, gatherings in homes and public spaces have been reduced to a maximum of 30 people.

#### **Brisbane Youth Detention Centre cluster alert**

Any Sundale resident who has been to the below locations at these times should monitor their health and, if they develop even the mildest of COVID-19 symptoms, get tested.

## **Ongoing**

In line with their recommendations, visitors and team members should not enter a Sundale Retirement Community if:

- They have been diagnosed with COVID-19 and have not finished their isolation;
- They returned to Queensland from overseas or interstate within the past 14 days;
- They have been in contact with someone who has had a confirmed case of COVID-19 within the past 14 days;
- They have been in a COVID-19 hotspot in the past 14 days; or have visited a Queensland COVID restricted area in the past 14 days;
- They have a fever or symptoms of a respiratory infection such as a cough, sore throat or shortness of breath.

To help minimise the threat of COVID-19, residents, visitors and team members should also adhere to the following conditions whilst visiting a Sundale Retirement Community.

- Keep social distancing;
- Stay at least 1.5 metres away from others;
- Make sure there is at least 4 square metres per person when indoors;
- Practice hand hygiene;
- Practice respiratory hygiene;
- Frequently clean and disinfect your environment;
- Be willing to undergo a screening process (including temperatures / previous travel).

## **Community Centres**

Sundale's Community Centres are open to Retirement Community residents only. To help minimise the threat of COVID-19, no guests are currently allowed in the Community Centres.

## Sundale beauty salons

Beauty salons located in Sundale's Care Centres remain closed.

### Meetings

It's essential all residents adhere to the *Queensland Government's Roadmap to Easing Restrictions* recommendations, especially at resident committee meetings.

Resident Committee Presidents will ensure restrictions are not breached and will implement a framework which requires residents to register to attend a committee meeting.

Residents must also adhere to physical distancing recommendations and practice good hand and respiratory hygiene at meetings.

## Cleaning

To help protect the health and wellbeing of all residents and to minimise the threat of COVID-19 entering a Sundale Retirement Community, it's essential residents thoroughly clean and disinfect all surfaces at the conclusion of all gatherings in Sundale's clubhouses.

Sundale will also methodically clean and disinfect clubhouses once a week.

#### **Sundale Residential Assistance Program**

Sundale is proud to provide all ILU residents with free, emotional and psychological support programs from qualified practitioners, including psychologists, social workers and counsellors.

To access the free, confidential service, please call 1800 818 728.

You will then need to select option 2 and advise you are a Sundale resident calling from Coolum Waters, Nambour Garden Village, Palmwoods Garden Village or Rotary Garden Village.

## **Care Centres**

In line with <u>Aged Care Direction (No.9)</u> and <u>effective immediately</u>, Sundale's Care Centres are now Restricted Residential Aged Care Facilities, despite no confirmed cases of COVID-19 at a Sundale Care Centre or Retirement Community.

The decision to restrict access to Sundale's Care Centre's protects the health and wellbeing of our care recipients and team members and follows a directive from Queensland Health relating to multiple new cases of COVID-19 linked to the Brisbane Youth Detention Centre in Wacol.

The proactive decision to make Sundale's Care Centres, *Restricted Residential Aged Care Facilities* acknowledges Queensland Health's concerns the COVID-19 cluster could be widespread.

Sundale will continue to review this decision.

Sundale will continue to take a responsible and considered approach to protect the health and wellbeing of its residents and team members to help minimise the threat of COVID-19 entering a Sundale Retirement Community.

Yours sincerely,

Danielle Mackenzie Sundale CEO
