Sundale has also implemented additional measures at its Clubhouses to help protect everyone's health and safety, including:

- Hand sanitiser stations, which are to be used before touching door handles;
- Small bottles of hand sanitiser, which are now available upon entry;
- Antibacterial wipes;
- Maximum room and floor capacity signs, which remind residents and visitors of the importance of social distancing and the maximum amount of people allowed in each room.

To help protect the health and wellbeing of all residents and to minimise the threat of COVID-19 entering a Sundale Retirement Community, it is essential residents and visitors thoroughly clean and disinfect all surfaces at the conclusion of all gatherings in a Sundale Clubhouse / Hub.

Sundale will also methodically clean and disinfect all Clubhouses / Hubs once a week.

PREVENT THE SPREAD:

- Stay home if you are sick;
- If you have any [COVID-19 symptoms](#), no matter how mild, [get tested](#) then isolate at home until you get the results and your symptoms resolve;
- Stay 1.5 metres away from other people—think two big steps;
- Wash your hands with soap and water, or hand sanitiser;
- Leave a location if it is crowded.

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering Sundale.

Yours sincerely,
