COVID-19 (novel coronavirus) update

As a valued member of the Sundale community, I wanted to provide you with an update and outline Sundale's current approach to managing the COVID-19 situation.

SEQ LOCKDOWN

As per the Queensland Government Directive, from 6pm tonight (Tuesday, 29 June 2021) South East Queensland (SEQ), Townsville, Palm Island and Magnetic Island will enter a three-day lockdown.

There are four reasons to leave home in a lockdown zone:

- Essential education / work
- Essential shopping
- Healthcare / vaccination / provide care
- Exercise outdoors

CONTACT TRACING

Sundale Retirement Community residents are being reminded to check the [Queensland Health](#) website daily for the latest COVID-19 information, including current contact tracing alerts and related public health advice.

Sundale Retirement Community residents who have been to any of the [listed](#) exposure venues at the relevant times, must follow the health advice and contact Sundale Retirement Villages Manager, Leigh Kersnovske (0448 560 331 or leigh.kersnovske@sundale.org.au) immediately.

CLUBHOUSES / HUBS

In line with the Queensland Government lockdown, Sundale's Clubhouses / Hubs will remain closed for at least the next three days.

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering Sundale.

Yours sincerely,

Danielle Mackenzie
Sundale CEO
