COVID-19 (novel coronavirus) update

As a valued member of the Sundale community, I wanted to provide you with an update and outline Sundale's current approach to managing the COVID-19 situation.

REMINDER

Sundale Retirement Community residents are being reminded to check the [Queensland Health website](#) daily for the latest COVID-19 information, including current contact tracing alerts and related public health advice.

This recommendation acknowledges the evolving COVID-19 situation in Queensland.

CONTACT TRACING

Sundale Retirement Community residents who have been to any of the [listed](#) exposure venues at the relevant times, must follow the health advice and contact Sundale Retirement Villages Manager, Leigh Kersnovske (0448 560 331 or leigh.kersnovske@sundale.org.au) immediately.

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering any Sundale facilities.

Yours sincerely,

Michelle McGowan
