## COVID-19 (novel coronavirus) update

As a valued member of the Sundale community, we wanted to provide you with an update and outline Sundale's current approach to managing the COVID-19 situation.

### CONTACT TRACING ALERTS

Sundale Retirement Community residents are being reminded to check the [Queensland Health](#) website daily for the latest COVID-19 information, including current contact tracing alerts and related public health advice.

Residents who have been to any of the [listed](#) exposure venues at the relevant times, must follow the health advice and contact Sundale Retirement Villages Manager, Leigh Kersnovske (0448 560 331 or [leigh.kersnovske@sundale.org.au](mailto:leigh.kersnovske@sundale.org.au)) immediately.

The list now includes two low risk contact\* locations on the Sunshine Coast.

Exposure Date	Location	Suburb	Exposure time	Category
Sunday 5 December 2021	IGA Buddina Supermarket 13/138-140 Point Cartwright Drive	Buddina	6pm - 6.45pm	Low risk contact
Monday 6 December 2021	Bunnings Maroochydore 70-98 Dalton Drive	Maroochydore	4.45am - 9.15am	Low risk contact

### \*Low risk contacts

If you have been to a **low risk contact** location at the relevant times, you are considered a low risk contact and must do the following:

1. [get tested](#) at your earliest convenience but you do **not** need to quarantine until you receive a negative test result
2. continue to monitor for symptoms, if you become symptomatic get tested and [isolate](#) until you receive a negative result.

Sundale will continue to work with Queensland Health and make responsible, considered decisions to help minimise the threat of COVID-19 entering any Sundale facilities.

Yours sincerely,

The COVID-19 Response Team
